**This is a detailed update on how things are going with The Branch and our Investment Club in general.**

**All our investments are doing well as always, they are good investments and we expect them to be stable for a long time, we won't see any results on the last 2 investments until around January when the first 6 months dividends are through. After that we will be getting paid regularly as we are investing weekly in these companies.**

**We have been looking at another Telecom Company in Europe, this will need a large investment on an ongoing basis so it will depend on how much money is invested throughout the whole club as to whether we can invest the required amount in this company, otherwise we will have to wait until next year when the new investments become profitable.**

**Membership of this Branch stands at 74 for Branch1 and 42 for Branch2, so we can only accept another 26 for Branch1 and 58 for Branch2.**

**We have a fantastic business here and some good investors who are also helping others to become involved. Most people accept that we need rules and regulations for the smooth running of The Branch however we have recently had a few members who have expressed concern that they have to wait 10 days after payment request to get paid. The reason for this is that we have to wait for our investments to mature as well and it allows us to make sure money is available. Unlike some programs we make real investments and sometimes we have to wait longer than 10 days to be paid. I would be grateful if members would send me a PM if you are concerned about anything and not cause mayhem by making unjust comments in the chat room.**

**There will NOT be a meeting this Monday 25th August as it's Bank Holiday, I will send a message to everyone or post in chat when a meeting is needed otherwise we don't need to meet every Monday.**

**Remember we are all here to make our desired monthly income and if we can help our friends to do the same then The Branch will be a wonderful place to be for many years to come.  
Best regards,**
